

**EMBURY**  
INSTITUTE FOR HIGHER EDUCATION

# EMBURY OFFERS A GREAT CAMPUS RESIDENCE EXPERIENCE

Want to study and enjoy a great student life? Of course you do. These are unique years in your life and we encourage you to make the most of them. Embury Pretoria Montana makes it possible for students to live, work and play on campus. By living on site you have easy access to all of the institute's learning facilities as well as the opportunity to develop life-long friendships with fellow students. There is nothing else quite like res life!

**THE RESIDENCE** There are three residence blocks: Musuma, umSenge and Karee. Each block has a fully equipped kitchenette containing a microwave, water boiler, fridge and dining table. There are couches in a communal area on the first floor of every res, making this the perfect area to unwind. There is also a fully equipped, self-service laundry on site. Further, there are undercover parking bays for students' vehicles.

PROUDLY PART OF

**STADIO  
MULTIVERSITY**

**BEDROOMS** Every bedroom has built-in cupboards, bed/s, chair, desk, safe and en suite bathroom facilities. Rooms are serviced once a week.

We allow the following equipment to be brought into the rooms: bar fridges, radios, computers and laptops, electric fans, and oil heaters. Please note that the following equipment is not allowed in the rooms: toasters, kettles, snackwich machines, irons, counter-top ovens, stove plates, microwaves, electric frying pans, open-element heaters, and all gas-powered appliances.

**Accommodation rates 2019: R65 000, includes dinner, bed and breakfast, as per the academic calendar.**

**FOOD SERVICES** Montana has a restaurant and canteen, both of which offer quality food in relaxed

environments. The restaurant offers breakfasts and dinners, seven days a week, as per the residence calendar. Every residence student automatically qualifies for restaurant meals, but please note that these meals must be confirmed beforehand.

The canteen offers take-away-style food from 07:30 – 16:30 on weekdays and 07:30 – 12:30 on Saturdays. Canteen meals can be booked in advance.

#### **STUDENT SUPPORT**

The Head of Campus will appoint a house warden to assist students in all matters relating to res life. He or she is responsible for developing and maintaining healthy relationships.

House committee members are elected annually by the respective residence students. Their main duties

are to represent students to the residence management. They also assist new students with adjusting to academic and residence life and, as such, organise fun social, cultural and sporting activities.

**SECURITY** Student and staff security is a priority for us. The campus buildings and residences are under guard 24 hours a day through a combination of access control, CCTV monitoring, alarm systems and patrolling guards.

Note that the student card is a student's passport to the campus. It allows one access to the campus, the residences and the library, and is to be used to check out library books, make photo-copies, book meals, and purchase fast food.
