

#BECOME A RESIDENT
Live your best life...

Live your best life in 2020, join us on our Montana residence and make your tertiary education experience memorable. Student life on residence is exciting and often results in friendships that last a lifetime. Learn valuable life skills, whilst saving on transport costs. Montana makes it possible for students to live, work and play in the serene green surrounds of the campus. With easy access to all the state of the art learning facilities on campus you can dedicate yourself to your tertiary education success with no distractions.

THE RESIDENCE

There are three residence blocks: Musuma, umSenge and Karee. You can hang out in the communal areas on each block of our residences and make use of the kitchenette for a relaxing coffee break. We also offer a fully equipped self-service card operated laundry. Our residences boast under-cover parking to ensure that your first car is safe! In fact our residence boasts all the amenities you require to have a comfortable home away from home.

RESIDENCE STUDENT SUPPORT

House committee members are selected annually by the respective residence students. Their main duties are to represent students at the residence management meeting. They also assist new students with adjusting to academic and residence life and, as such, organise fun social, cultural and sporting activities.

FOOD SERVICES

Montana has a restaurant and canteen, both of which offer quality food in relaxed environments. Our restaurant offers breakfasts and dinners 7 days a week as per the residence calendar. Our canteen offers snacks and fast food from 7.30 -16.30 on weekdays and 7.30-12.30 on Saturdays. Students can use their student cards to have meals at the restaurant and snacks at the tuckshop. You can book your meals at the restaurant in advance to be enjoyed during meal-times whilst the tuckshop is available anytime you feel peckish no booking required! Just remember your residence fee covers 50% of your meals and you can top up your credits at any time to enjoy more delicious campus meals.

SECURITY

Student and staff security is a priority for us. The campus buildings and residences are under guard 24 hours a day through a combination of biometric access control, CCTV monitoring, alarm systems and patrolling guards. Note that your student card is your passport to the campus. It allows one access to the campus, the residences and the library, and is to be used to check out library books, make photo-copies, book meals, and purchase fast food.
