Dear Students

RE: Suspension of Graduation 2020.

As you are aware the Coronavirus Disease 2019 (COVID-19) is a growing concern globally. His Excellency the President Cyril Ramaphosa addressed the nation on the 15/03/2020. This address has set forth several stipulations and guidelines which echo the global directive prescribed by the World Health Organisation and the National Institute of Communicable Disease (NICD).

The STADIO; School of Education is taking the possible threat of infection seriously. We are acting to flatten the curve at various levels of the institution. The annual graduation ceremony is a gathering which meets the prohibition numbers as indicated by the president. Therefore, as a conscientious educational institution, we can not go ahead with these ceremonies as planned. We apologise to our students and their guests, for the disruption this may have caused. We will continue to keep you updated on all changes and rescheduling matters.

We encourage all our students to follow the guidelines stipulated by the NICD and The Department of Health. STADIO; School of Education encourages sensible and safe behaviours. Should you have any questions regards any matters pertaining to the COVID-19 safety measures at the STADIO; School of Education, please email us at:
